Mondopad

COLLABORATION FOR EVERYONE

Work better together with Mondopad, the smart and easy touchscreen system for video conferencing, whiteboarding, data sharing and more.

- Multi-touch high definition display
- Flexible and expandable with built-in Windows PC
- Digital interactive whiteboard and document annotation
- Business-class video conferencing

- Business meetings and brainstorming
- Distance learning and remote training
- Software and website demos
- Interviewing and remote patient care

Mondopad 2.0 is Here!

Mondopad 2.0 is the biggest leap forward in collaboration features, tools and services we have ever provided.

- Share content and faces side by side
- Expand workspace to a second touch display
- Add a 3rd or 4th person to a video conference
- Whiteboard with auto shapes and other new tools
- 100+ new features and improvements

In-Room and Remote Collaboration

Mondopad elegantly blends video calling, whiteboarding and more into one giant touchscreen PC for efficient face-to-face collaboration with people in any location.

- Generate, share and capture ideas
- Bring teams together instantly from anywhere in the world
- Get more done in less time with less cost and no travel
- Captivate and collaborate with attendees in and out of the room

Video Connect to the World

Instantly bring people together from anywhere in the world to visually collaborate on the same content and do better work in less time.

Make video calls right away with InFocus 121 Basic Video Calling service free for the first year -- or add your own video conferencing client onto Mondopad like any other PC.

Have instant 4-way calls on a Mondopad when you upgrade to InFocus 121 Premium.

Bring Your Own Device

NEW CONTROLVIEW 2.0 SOFTWARE MAKES MONDOPAD BYOD-FRIENDLY

- Cast your device's screen to the Mondopad
- Control the Mondopad from your device
- See what's being presented on the Mondopad from your device
- People can video-call your Mondopad from a PC, Mac, tablet or smartphone

Interactive Whiteboard

BRAINSTORM, CAPTURE AND SHARE YOUR IDEAS

- A complete set of pens, highlighters, shapes and lines are at your fingertips
- Create a whiteboard of up to 100 display screens in size
- Auto-shape the circles, squares and lines you draw for instant professionalism
- Paste backgrounds and images onto a whiteboard or wallpaper the entire canvas
- Collect, save and email your whiteboard to meeting participants right from the Mondopad

Annotate on Anything

NEVER LOSE AN IDEA. TAKE NOTES ON-SCREEN AND SAVE THE CHANGES.

- Use the same whiteboard tools to mark-up PPT slides, spreadsheets, videos, design comps, web pages and more
- Identify information on-screen to help remote participants follow along
- Capture your notes as an image and email it to everyone in the meeting right from the Mondopad

Rock Solid Hardware
